PROFESSIONAL SUMMARY

Final-year B.Tech Information Technology student at **J.C. Bose University of Science and Technology, YMCA** (Cumulative CGPA: 6.34 till 6th semester). Motivated aspiring Data Analyst with expertise in data cleaning, exploratory data analysis (EDA), relational database querying (SQL), and business intelligence visualization. Experienced in translating raw datasets into actionable business insights using Python (Pandas, NumPy, Matplotlib), SQL, Power BI, Tableau, and Microsoft Excel.

TECHNICAL SKILLS

Programming & Analysis: Python (Pandas, NumPy, Matplotlib), SQL (MySQL), Data Cleaning, EDA

BI & Data Visualization: Power BI, Tableau, Microsoft Excel (Pivot Tables, VLOOKUP, Formulas), Data Storytelling

Databases & Tools: MySQL, Relational Schema Design, Git, GitHub, Jupyter Notebook, VS Code

KEY ANALYTICS CASE STUDIES

- Sales Performance & Profitability Analysis** Python • SQL • Power BI • Excel 2026
- Processed & Audited Data:** Cleaned and evaluated 9,990+ retail transaction records using Python (Pandas) and SQL to identify key profit margin drivers and revenue channels.
 - Uncovered Strategic Insights:** Executed SQL queries discovering that the Technology category achieved 17.4% net margin (\$145.4K profit), whereas the Furniture Tables sub-category suffered -\$17.7K net loss due to excessive discounting (>30%).
 - Formulated Actionable Strategy:** Proposed discount capping policies (<15% threshold) for Central Region sales and built an executive interactive Power BI dashboard for real-time performance tracking.
- Netflix Content & Trend Analysis** Python • Pandas • Matplotlib • Tableau 2026
- Exploratory Data Analysis:** Analyzed 8,800+ global streaming catalog titles to investigate library shifts, maturity ratings, and country-of-origin distributions.
 - Quantified Catalog Trends:** Identified catalog composition (69.6% Movies vs 30.4% TV Shows) and catalog expansion spikes peaking in 2019 with 2,016 annual additions.
 - Visualized Growth Metrics:** Designed interactive charts highlighting international Drama expansion and adult rating trends (TV-MA & R representing >45% of total catalog).

EDUCATION

- B.Tech — Information Technology** CGPA: 6.34 / 10.0 2022 – 2026 (Final Year)
J.C. Bose University of Science and Technology, YMCA, Faridabad, Haryana
- Class 12th — Senior Secondary Education (CBSE)** Completed
White Leaf Public School, Bawana, Delhi • Science Stream with Computer Science
- Class 10th — Secondary Education (CBSE)** Completed
Holy Child Senior Secondary School, Hisar, Haryana • Science & Mathematics Foundation

ACTIVITIES & LEADERSHIP

- IEEE Student Chapter Member:** Active participant in technical workshops and campus events at J.C. Bose University YMCA.
- University Hackathon Participant:** Collaborated on data processing, exploratory analysis, and visual insight presentation pipelines.
